

**Made for beekeepers by beekeepers**

## ***BBwear founded upon experience***

BBwear is a family run business based in Cornwall, founded in 2000 by Belinda and Michael Bright.

Belinda has been working in the manufacturing industry since 1986, and has 10 years experience as a retail manager for a large company. Michael previously worked in textile design and production since 1993. With their combined experience, they saw the opportunity to develop a range of British made protective clothing for beekeepers. BBwear clothing is now sold all over the world and we are considered as a market leader.

As the interest in beekeeping continues to grow, we have opened a shop selling BBwear clothing and beekeeping equipment. This is very popular with local beekeepers.

Since we started, BBwear has grown considerably and we are now fortunate to have our three sons, James, Steve and Paul working with us. With their input the business continues to develop and expand. Steve is a keen beekeeper and now manages our apiary of 9 hives.

We hope you enjoy browsing through this catalogue, you may also like to visit us on our website at [www.bbwear.co.uk](http://www.bbwear.co.uk)

As always, we look forward to hearing from you in the future.

# CLOTHING

## Quality you can trust

All our suits are made from hard wearing fabrics and premium components. The poly/cotton range is 67% Polyester to 33% cotton and available in a range of popular bee friendly colours. This fabric is medium weight, colour-fast and pre-shrunk.

The lightweight suits are made from a Teflon coated Polyester, a breathable and shower proof fabric. They can be washed and dried very quickly and are popular with beekeepers working in warmer climates.

Our Ultra Suits and Jackets are made from a versatile high tech 3D Polyester mesh fabric that is 5mm thick, creating a fully ventilated garment.

The veiling we use has been specially made for us. It is particularly robust and UV resistant. Our hoods give the very best all round vision, protection and should last as long as your suit if properly looked after.

All of our garments are manufactured locally here in Cornwall by experienced professional machinists. We have created a range of garments that are extremely comfortable and give the best protection when worn with the correct BBwear accessories.

A BBwear suit will give you maximum protection and confidence in the apiary and will last you for many years. Our clothing range is designed for

comfort and should be a loose fit. This creates an air gap which helps keep you cooler and allows maximum mobility when working in the apiary. As our suits are classed as work wear, our sizing allows for clothing to be comfortably worn underneath.

The veil is the most important part of your suit and comes in two different styles. The standard BB fencing style and the RR retro round hat type. Both styles can easily be unzipped and thrown back when not in use. Apart from the BB4 Vest, all hoods are detachable and interchangeable. The BB6 hood is detachable but not compatible with other garments in our range.

## Taking Care of your Suits

BBwear suits are all machine washable. We recommend a 30 - 40 degree wash and gentle spin. The BB fencing hood is machine washable. We suggest the hood is detached and put inside the sleeve of the suit, this will protect it when on the spin cycle.

In order to prolong their shape and stiffness, we recommend hand washing and drip drying both types of veil. *Please note the retro hood is NOT machine washable.*

At the end of the season we recommend that your suit is washed and dried thoroughly and kept indoors to prevent mould appearing.

## Services

### Repairing your suit

Should your suit become damaged at any time we offer a full repair service. Please make sure that all your clothing is washed before returning for repair.

### Embroidery Service

We offer an embroidery service that will make your suit easily identifiable. Add your association / club logo, name or anything else you can think of to personalise your suit. Please contact us for more information and quote.

### Bespoke Suits

For those outside our standard size range we offer a made to measure service and are able to adapt our patterns to suit your individual needs. If this is something you require please contact us for the measurements we require to make your suit through the following;

**tel** +44 (0)1872 562731  
**email** [shop@bbwear.co.uk](mailto:shop@bbwear.co.uk)  
**web** [www.bbwear.co.uk](http://www.bbwear.co.uk)

Alternatively you can visit us in our shop where we can professionally measure you.

## Fabric Colours

Colours are for guide only

# Ultra Full Suit

## BBU1 Ultra Bee Suit

Our Ultra full suit is the top of our range, made from a versatile high tech 3D polyester mesh fabric that will keep you cool and comfortable throughout the day. The Ultra suit is 5mm thick which is deeper than the length of a bee sting, ideal for those more sensitive to bees. Made to the same style as the BB1 with double lined pockets and poly/cotton fabric at the ankles to enable you to tuck them into your boots.

- High Tech 3D Polyester with poly/cotton trim
- Interchangeable hood
- Specially made UV resistant veiling
- Twin neck zips with ring pulls
- Velcro tabs where neck zips meet for extra security
- 2 Breast pockets with Velcro flaps
- 2 Hip pockets

## RRU1 Retro Ultra Bee Suit

- 2 Thigh pockets with Velcro flaps
- 2 Hive tool pockets
- Waterproof knee patches
- Ankle zips
- Thumb loops
- Elasticated back, ankles & wrists
- Hanging loop

Made to order only

# Ultra Jackets

## BBU2 Ultra Jacket

Our Ultra jacket is the top of our range, made from a versatile high tech 3D polyester mesh fabric that will keep you cool and comfortable throughout the day. The Ultra Jacket is 5mm thick which is deeper than the length of a bee sting, ideal for those more sensitive to bees. Designed to be worn with our BB9/BB9a trousers.

- High Tech 3D Polyester with poly/cotton trim
- Interchangeable hood
- Specially made UV resistant veiling
- Twin neck zips with ring pulls
- Velcro tabs where neck zips meet for extra security
- 2 Breast pockets with Velcro flaps

Made to order only

## RRU2 Retro Ultra Jacket

- 2 Hip pockets
- Elasticated hem with toggle adjuster
- Elasticated cuffs
- Thumb loops
- Hanging loop

# Deluxe Full Suit

## BB1 Deluxe Bee Suit

The deluxe full suit is our most popular with both hobbyists and commercial beekeepers. With more than enough pockets and other extras, it offers head to toe protection when worn with the correct BBwear accessories.

- Premium 67% Polyester / 33% Cotton
- Interchangeable hood
- Specially made UV resistant veiling
- Twin neck zips with ring pulls
- Velcro tabs where neck zips meet for extra security
- 2 Breast pockets with Velcro flaps
- 2 Hip pockets

## RR1 Retro Deluxe Bee Suit

- 2 Thigh pockets with Velcro flaps
- 2 Hive tool pockets
- Waterproof knee patches
- Ankle zips
- Thumb loops
- Elasticated back, ankles & wrists
- Hanging loop

Poly/Cotton available in 14 colours

# Deluxe Lightweight Full Suit

## BB101 Deluxe Lightweight

This innovative Teflon coated fabric is robust, shower proof and has a very soft finish. Nearly half the weight of our poly/cotton range and cooler to wear it is favoured by beekeepers working in warmer climates. With head to toe protection when worn with the correct accessories.

- 100% Teflon coated polyester
- Interchangeable retro hood with chin strap & toggle
- Specially made UV resistant veiling
- Twin neck zips with ring pulls
- Velcro tabs where neck zips meet for extra security
- 2 Breast pockets with Velcro flaps
- 2 Hip pockets

## RR101 Retro Deluxe Lightweight

- 2 Thigh pockets with Velcro flaps
- 2 Hive tool pockets
- Waterproof knee patches
- Ankle zips
- Thumb loops
- Elasticated back, ankles & wrists
- Hanging loop

Polyester available in 4 colours

# CLOTHING

# Basic Full Suit

## BB501 Basic Standard

## RR501 Basic Retro

These suits give beekeepers excellent head to toe protection when worn with the correct accessories. They are made to the same high standard as the deluxe range, but only have the essential pockets needed for working in the apiary.

- Premium 67% Polyester / 33% Cotton
- Interchangeable hood
- Specially made UV resistant veiling
- Twin neck zips with ring pulls
- Velcro tabs where neck zips meet for extra security
- 2 Breast pockets
- 2 Hip pockets
- 1 Hive tool pocket
- Elasticated back, ankles & wrists
- Hanging loop

Available in 14 colours

# Smocks

# Vest

## BB3 Standard

## RR3 Retro

## BB4 Standard

Both the standard and retro smock are easily pulled on over the head. Made to the same high standard as our deluxe range, ideal for those who prefer to wear a half suit visiting the apiary.

- Premium 67% Polyester / 33% Cotton
- Interchangeable hood
- Specially made UV resistant veiling
- Twin neck zips with ring pulls
- Velcro tabs where neck zips meet for extra security
- Elasticated hem with toggle adjuster

Available in 14 colours

- Neat bodice with short zip
- Large pouch pocket across front
- Elasticated cuffs
- Thumb loops
- Hanging loop

The BB4 vest has a half zip at the neck which means the hood is NOT detachable. The bodice is a stretchy mesh that is light and breathable.

- Premium 67% Polyester / 33% Cotton
- Hood can be thrown back when not needed
- Specially made UV resistant veiling
- Single zip with ring pull
- Mesh bodice with adjustable elasticated hem

Sizes: S/M, L/XL, XXL

Available in 14 colours

Poly/Cotton available in 14 colours

Polyester available in 4 colours

## Deluxe Jacket

### BB2 Deluxe Standard

Our best selling jacket, made to the highest standard which will last for many years. Designed to be worn with our BB9/BB9a trousers.

- Premium 67% Polyester / 33% Cotton
- Interchangeable hood
- Specially made UV resistant veiling
- Twin neck zips with ring pulls
- Velcro tabs where neck zips meet for extra security
- 2 Breast pockets with Velcro flaps
- 2 Hip pockets
- Elasticated hem with toggle adjuster
- Elasticated cuffs
- Thumb loops
- Hanging loop

Available in 14 colours

### RR2 Deluxe Retro

## Basic Jacket

### BB502 Basic Standard

Made to the same high standard as the deluxe range, but only have the essential pockets needed for working in the apiary. Ideal for hobby beekeepers or quick visits to the apiary. Designed to be worn with our BB9/BB9a trousers.

- Premium 67% Polyester / 33% Cotton
- Interchangeable hood
- Specially made UV resistant veiling
- Twin neck zips with ring pulls
- Velcro tabs where neck zips meet for extra security
- 2 Hip pockets
- Elasticated hem with toggle adjuster
- Elasticated cuffs
- Hanging loop

Available in 14 colours

### RR502 Basic Retro

## Hood Replacements

### BB7 Standard

### RR7 Retro

Our UV resistant veiling is specially made to our specification, which gives excellent all round vision and protection. The hoods are particularly robust and hold their shape well and should last for many years.

Available in all poly/cotton & polyester colours

# Trousers

## BB9A Deluxe

Deluxe over-trouser with waterproof knee patches and ankle zips. Designed to be worn with our jackets or smocks. Easy to pull on over normal clothing.

- 67% Polyester/33% Cotton
- 2 Hip pockets

# Complete Hives

## WBC1 Cedar WBC Hive

Complete WBC hive made from western red cedar. It's double walled and gives better protection from the weather and looks really nice in the garden, give it a few coats of undercoat and finish with gloss.

- 1 x Open mesh floor with legs
- 3 x Lifts, one with porch
- 1 x Metal covered gabled roof with vents
- 1 x Brood box
- 1 x Slotted steel queen excluder
- 2 x Supers
- 1 x Crown board with porter bee escapes

## CNH1 Cedar National Hive

First quality national hive made from western red cedar.

- 1 x Flat 4" roof
- 1 x Brood box
- 2 x Supers
- 1 x Crown board
- 1 x Plastic queen excluder
- 1 x Varroa floor with tray

## CNH2 Cedar National Hive

Quality national complete hive made from joined western red cedar.

- 1 x Flat 4" roof
- 1 x Brood box
- 2 x Supers
- 1 x Crown board
- 1 x Plastic queen excluder
- 1 x Varroa floor with tray & alighting board

## PNHP Paynes Poly National Hive

Use your existing hive parts and take advantage of the polystyrene benefits.

- 1 x Open mesh floor
- 1 x Brood box
- 2 x Supers
- 1 x Clear crown board
- 1 x Plastic queen excluder
- 1 x Roof
- 1 x Metal frame runners for the brood/super
- 1 x Hive strap

## PNHM Maisemore Poly National Hive

Comes flat-packed. Use your existing hive parts and take advantage of the polystyrene benefits.

- 1 x Open mesh floor
- 1 x Brood box
- 2 x Supers
- 1 x Clear crown board
- 1 x Plastic queen excluder
- 1 x Roof
- 1 x Metal frame runners for the brood/super
- 1 x Hive strap
